

# Clifton Main

**TYPE** Estate **DESTINATION** Graaff-Reinet

## Home away from home

Although a touch more modern than its historical neighbour, the lodge provides a relaxed atmosphere with open living areas. After a snooker game on our 1911s large table, step out of the entertainment area and dive into the sparkling pool on a warm summer's day. Or enjoy a soothing massage in the adjacent spa.

### THE VALLEY OF DESOLATION

The spectacular views from the Valley of Desolation, 17km from Graaff-Reinet, are enough to leave anyone speechless. A spectacular sunset appears as the last rays of the sun saturate the rock pillars in deep red.

### SPANDAU KOP WALKS

Graaff-Reinet is surrounded by the Camdeboo National Park, previously called the Karoo Nature Reserve. It contains two marvellously unique geological formations: the Spandau Kop and the Valley of Desolation.

### CAMDEBOO KOEDOESKLOOF 4x4 TRAIL

Camdeboo Koedoeskloof 4x4 Trail is a trail which runs through the Eastern Cape town of Graaff-Reinet. This seven-kilometre loop can be completed in about three hours by hiking. This trail has rocky sections, as well as grassland with some steep ascends and descends. After rain, this trail could become muddy.
